We welcome all Laurier students, staff and faculty to enjoy an open and accepting quality of life on campus. The office's role is to enhance diversity & equity on the Waterloo and Brantford campus through events, training sessions and awareness campaigns. Working closely with the Education and Inclusion Coordinator, Employment Equity & AODA Officer, Rainbow Centre, Women's Centre, Association of Black Students, Multi-Faith Resource Team, the Diversity & Equity Office works to educate, advocate and celebrate the uniqueness of every individual at Laurier.
